

Introduction to Mosaics

Name: _____

Part 1: What do you already know about mosaics?

1. What do you think 'Mosaic' means?
2. Where have you seen Mosaics?
3. When/where do you think the first Mosaics were created?
4. Research 1 Mosaic 'Opus': Name of Opus: ex. Opus regulatum
Definition of that Opus:
Sketch the design here:

(We will share your assigned opus with the class)

Part 2: Research Historic Mosaics.

Create a separate Google Slide Presentation – Research 3 historic mosaics

- Include 2 examples of each historic type of mosaic: ex. Greek, Roman or Byzantine
- Include 1 summary slide for each: the time period they were created, the subject matter of the mosaics and the materials that were used for creating these mosaics.
- You will have 9 slides total, 6 examples and 3 summary slides for each type
