Mosaic Project - KEY

MOSAIC 'ANDAMENTO' or 'flow' of tesserae pattern

Pattern/Opus	Examples
Opus vermiculatum <u>Summarize the pattern:</u> *Outlining around the subject first, then filling in with a different background like tesselatum or regulatum*	
Opus musivum <u>Summarize the pattern:</u> *Outlining the subject over and over with the tesserae*	Example:
Opus regulatum <u>Summarize the pattern:</u> *the tiles follow a grid pattern*	Example:
Opus palladianum <u>Summarize the pattern:</u> *Random piece sizes, 'crazy' paving style*	Example:
Opus lapilli <u>Summarize the pattern:</u> *Pebbles create the mosaic pattern*	Example:

Opus sectile Summarize the pattern: *Large cut specific shapes of tile to create the subject or pattern*	Examples:
Opus spicatum Summarize the pattern: *Herringbone*	Example:
Opus tessellatum Summarize the pattern: *Tile/tessarae in regular horizontal or vertical lines, especially in a* *'running' bond/brick pattern*	Example:
Opus circumactum Summarize the pattern: *Fan-like, arc, fish scale*	 Example:
