And I say it's all right**

Sun, sun, sun, here it comes
Sun, sun, sun, here it comes**

Little darling, it seems like years since it's been clear**

"Beautiful Boy"

Close your eyes,

Have no fear,

The monster's gone,

He's on the run

And your daddy's here,

[2x]

Beautiful, beautiful, beautiful,

Beautiful boy,

Before you go to sleep,

Say a little prayer,

Every day

In every way,

It's getting better and better,

[2x]

Beautiful, beautiful, beautiful,

Beautiful boy,

Out on the ocean sailing away,

I can hardly wait

To see you to come of age,

But I guess we'll both

Just have to be patient,

'Cause it's a long way to go,

A hard row to hoe

Yes, it's a long way to go

But in the meantime,

Before you cross the street,

Take my hand,

Life is what happens to you,

While you're busy making other

plans,

[2x]

Beautiful, beautiful,

beautiful,

Beautiful boy,

Before you go to

sleep,

Say a little prayer,

Every day

In every way,

It's getting better

and better,

[2x]

Beautiful, beautiful,

beautiful,

Beautiful boy,

Darling, darling,

Darling Sean.

"Lullaby (Goodnight My Angel)"

**Goodnight, my angel
Time to close your eyes
And save these questions for
another day
I think I know what you've been
asking me
I think you know what I've been
trying to say
I promised I would never leave
you
And you should always know
Wherever you may go
No matter where you are
I never will be far away**

**Goodnight, my angel
Now it's time to sleep
And still so many things I want
to say
Remember all the songs you sang
for me
When we went sailing on an
emerald bay
And like a boat out on the ocean
I'm rocking you to sleep
The water's dark
And deep inside this ancient
heart
You'll always be a part of me**

**Goodnight, my angel
Now it's time to dream
And dream how wonderful your
life will be
Someday your child may cry
And if you sing this lullabye
Then in your heart
There will always be a part of
me

Someday we'll all be gone
But lullabies go on and on...
They never die
That's how you
And I
Will be**

"Walking on Sunshine"

Oh!

Ohhhh, yeeeh

I used to think maybe you loved me
now baby I'm sure

And I just can't wait till the day
when you knock on my door

Now everytime I go for the mailbox,
gotta hold myself down

'Cause I just can't wait till you write
me you're coming around

I'm walking on sunshine, woah

I'm walking on sunshine, wooah

I'm walking on sunshine, wooah

And don't it feel good!

Hey, alright now

And don't it feel good!

Hey yeah

I used to think maybe you loved me,
now I know that it's true

And I don't want to spend my whole
life, just waiting for you

Now I don't want u back for the weekend

Not back for a day, no no no

I said baby I just want you back and I want you to stay

Woah yeah!

I'm walking on sunshine, woah

I'm walking on sunshine, wooah

I'm walking on sunshine, wooah

And don't it feel good!!

Hey, alright now

And don't it feel good!!

Yeah, oh yeah

And don't it feel good!!

Walking on sunshine

Walking on sunshine

I feel alive, I feel the love, I feel the love that's really real

I feel alive, I feel the love, I feel the love that's really real

I'm on sunshine baby oh, oh yeah

I'm on sunshine baby oh

I'm walking on sunshine, woah

I'm walking on sunshine, woah

I'm walking on sunshine, wooah

And don't it feel good

Hey, alright now

And don't it feel good

I'll say it, say it, say it again now

And don't it feel good!!

Ohhhh, yeahhhh

And don't it feel good

Now don't it, don't it, don't it, don't it, don't
it, don't it feel good

I'll say it, say it, say it again now

And don't feel good

Now don't it, don't it, don't it, don't it, don't
it, don't it feel good

Tell me, tell me, tell me again now

And don't it feel good

Ohhhh, yeahhhh

And don't it feel good

Oh don't it feel good, don't it feel good

Now don't it feel good?

Oh yeah, oh yeah, oh yeah (Don't it feel good)

"Three Little Birds"

**"Don't worry about a thing
'Cause every little thing is gonna be alright"
Singing, "Don't worry about a thing
'Cause every little thing is gonna be alright!"**

**Rise up this morning, smiled with the rising sun
Three little birds pitch by my doorstep
Singing sweet songs of melodies pure and true
Saying, "This is my message to you-ou-ou"**

**Singing, "Don't worry about a thing
'Cause every little thing is gonna be alright"
Singing, "Don't worry about a thing (Don't worry)
'Cause every little thing is gonna be alright!"**

**Rise up this morning, smiled with the rising sun
Three little birds pitch by my doorstep
Singing sweet songs of melodies pure and true
Saying, "This is my message to you-ou-ou"**

**Singing, "Don't worry about a thing (Worry about a thing, oh)
'Cause every little thing is gonna be alright (Don't worry)
Singing, "Don't worry about a thing (I won't worry)
'Cause every little thing is gonna be alright!"
Singing, "Don't worry about a thing
'Cause every little thing is gonna be alright (I won't worry)
Singing, "Don't worry about a thing
'Cause every little thing is gonna be alright!"
Singing, "Don't worry about a thing (Don't worry about a
thing)
'Cause every little thing is gonna be alright**

"You are my Sunshine"

You are my sunshine, my only sunshine

You make me happy when skies are grey

You never know, dear, how much I love you

Please don't take my sunshine away

The other night, dear, as I lay sleeping

I dreamt I held you in my arms

When I awoke, dear, I was mistaken

So I hung my head, and I cried

You are my sunshine, my only sunshine

You make me happy when skies are grey

You never know, dear, how much I love you

Please don't take my sunshine away

I'll always love you and make you happy

If you will only say the same

But if you leave me to love another

You'll regret it all one day

You are my sunshine, my only sunshine

You make me happy when skies are grey

You never know, dear, how much I love you

Please don't take my sunshine away

Please don't take my sunshine away

"Lean on Me"

Sometimes in our lives

We all have pain, we all have sorrow.

But if we are wise,

We know that there's always tomorrow.

Lean on me when you're not strong

And I'll be your friend, I'll help you carry on

For it won't be long

'Til I'm gonna need somebody to lean on.

Please swallow your pride

If I have things you need to borrow

For no one can fill those of your needs

That you won't let show.

You just call on me, brother, when you need a hand

We all need somebody to lean on.

I just might have a problem that you'll understand,

We all need somebody to lean on.

Lean on me when you're not strong

And I'll be your friend I'll help you carry on

For it won't be long

'Til I'm gonna need somebody to lean on

You just call on me, brother, when you need a hand

We all need somebody to lean on.

I just might have a problem that you'll understand,

We all need somebody to lean on.

If there is a load

You have to bear

That you can't carry

I'm right up the road

I'll share your load

If you just call me.

Call me if you need a friend (repeated)

"The Rainbow Connection"

**why are there so many songs about rainbows
and what's on the other side?
rainbows are visions, but only illusions
and rainbows have nothing to hide
so we've been told, and some choose to believe it
i know they're wrong, wait and see
someday we'll find it, the rainbow connection
the lovers, the dreamers, and me**

**who said that every wish would be heard and answered
when wished on the morning star?
somebody thought of that, and someone believed it
look what it's done so far
what's so amazing that keeps us stargazing
and what do we think we might see?
someday we'll find it, the rainbow connection
the lovers, the dreamers, and me**

**all of us under its spell
we know that it's probably magic

have you been half asleep, and have you heard voices?
i've heard them calling my name
is this the sweet sound that calls the young sailors?
the voice might be one and the same
i've heard it too many times to ignore it
it's something that i'm supposed to be
someday we'll find it, the rainbow connection
the lovers, the dreamers, and me

la-da-da, de-da-da-do
la-da-da-da-da-de-da-do**

"You've Got a Friend in Me"

**You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me
You've got a friend in me
You've got a friend in me
You got troubles, I've got 'em too
There isn't anything I wouldn't do for you
We stick together and see it through**

**'Cause you've got a friend in me
You've got a friend in me
Some other folks might be
A little bit smarter than I am
Bigger and stronger too
Maybe
But none of them will ever love you
The way I do
It's me and you, boy
And as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me**

"Isn't She Lovely"

Isn't she lovely?

Isn't she wonderful?

Isn't she precious?

Less than one minute old

I never thought through love, we'd be

Making one as lovely as she

But isn't she lovely? Made from love

Isn't she pretty?

Truly the angel's best

Boy, I'm so happy

We have been heaven blessed

I can't believe what God has done

Through us, He's given life to one

But isn't she lovely? Made from love

Isn't she lovely?

Life and love are the same

Life is Aisha

The meaning of her name

Londie, it could have not been done

Without you who conceived the one

That's so very lovely, made from love

"You are the Sunshine of My Life"

**You are the sunshine of my life
That's why I'll always be around
You are the apple of my eye
Forever you'll stay in my heart
I feel like this is the beginning
Though I've loved you for a million years
And if I thought our love was ending
I'd find myself drowning in my own tears, whoa, oh, oh
You are the sunshine of my life, yeah
That's why I'll always stay around, mmm, mmm, yeah, yeah
You are the apple of my eye**

**Forever you'll stay in my heart
You must have known that I was lonely
Because you came to my rescue
And I know that this must be heaven
How could so much love be inside of you?
Whoa, whoa
You are the sunshine of my life, yeah
That's why I'll always stay around, mmm (baby)
You are the apple of my eye
Forever you'll stay in my heart, yeah
You are the sunshine of my life, baby
That's why I'll always stay around**

"My Favorite Things"

Raindrops on roses and whiskers on kittens
Bright copper kettles and warm woolen mittens
Brown paper packages tied up with strings
These are a few of my favorite things
Cream-colored ponies and crisp apple strudels
Doorbells and sleigh bells and schnitzel with noodles
Wild geese that fly with the moon on their wings
These are a few of my favorite things
Girls in white dresses with blue satin sashes
Snowflakes that stay on my nose and eyelashes
Silver-white winters that melt into springs
These are a few of my favorite things
When the dog bites
When the bee stings
When I'm feeling sad
I simply remember my favorite things

And then I don't feel so bad
Raindrops on roses and whiskers on kittens
Bright copper kettles and warm woolen mittens
Brown paper packages tied up with strings
These are a few of my favorite things
Cream-colored ponies and crisp apple strudels
Doorbells and sleigh bells and schnitzel with noodles
Wild geese that fly with the moon on their wings
These are a few of my favorite things
Girls in white dresses with blue satin sashes
Snowflakes that stay on my nose and eyelashes
Silver-white winters that melt into springs
These are a few of my favorite things
When the dog bites
When the bee stings
When I'm feeling sad
I simply remember my favorite things
And then I don't feel so bad

"Hakuna Matata"

Hakuna Matata!

What a wonderful phrase

Hakuna Matata!

Ain't no passing craze

It means no worries

For the rest of your days

It's our problem-free philosophy

Hakuna Matata!

Why, when he was a young warthog

When I was a young wart-hoooog!

Very nice!

Thanks!

He found his aroma lacked a certain appeal

He could clear the Savannah after every meal

I'm a sensitive soul, though I seem thick-skinned

And it hurt that my friends never stood downwind

And oh, the shame

[He was ashamed!]

Thought of changin' my name

[Oh, what's in a name?

And I got downhearted

[How did you feel?]

Every time that I-

Pumbaa! Not in front of the kids!

Oh... sorry

Hakuna Matata!

What a wonderful phrase

Hakuna Matata!

Ain't no passing craze

It means no worries

For the rest of your days

Yeah, sing it, kid!

It's our problem-free philosophy

Hakuna Matata!

Hakuna Matata

Hakuna Matata

Hakuna Matata

Hakuna

It means no worries

For the rest of your days

It's our problem-free philosophy

Hakuna Matata

"When You Wish Upon a Star"

**When you wish upon a star
Makes no difference who you are
Anything your heart desires
Will come to you
If your heart is in your dream
No request is too extreme
When you wish upon a star
As dreamers do**

**Fate is kind
She brings to those who love
The sweet fulfillment of their secret longing**

**Like a bolt out of the blue
Fate steps in and sees you through
When you wish upon a star
Your dreams come true**

"The Bear Necessities"

Look for the bare necessities, the
simple bare necessities

Forget about your worries and your
strife

I mean the bare necessities, old mother
nature's recipes

That bring the bare necessities of life

Wherever I wander, wherever I roam

I couldn't be fonder of my big home

The bees are buzzin' in the tree

To make some honey just for me

When you look under the rocks and
plants

And take a glance at the fancy ants,
then maybe try a few

The bare necessities of life will come
to you

They'll come to you!

Look for the bare necessities, the
simple bare necessities

Forget about your worries and your strife

I mean the bare necessities

That's why a bear can rest at ease

With just the bare necessities of life

Now when you pick a paw-paw or a prickly pear

And you prick a raw paw, well, next time beware

Don't pick the prickly pear by the paw

When you pick a pear try to use the claw

But you don't need to use the claw

When you pick a pear of the big paw-paw

Have I given you a clue?

The bare necessities of life will come to you

They'll come to you!

Oh man, that's really livin'

So just try and relax, yeah, cool it

Fall apart in my backyard

'Cause let me tell you something little
britches (child's name)

If you act like that bee acts, uh uh

You're working too hard

And don't spend your time lookin' around

For something you want that can't be found

When you find out you can live without it

And go along not thinkin' about it

I'll tell you something true

The bare necessities of life will come to you

Look for the bare necessities, the simple bare
necessities

Forget about your worries and your strife
(yeah man!)

I mean the bare necessities

That's why a bear can rest at ease

With just the bare necessities of life

Yeah, with just the bare necessities of life
(yeah man!)

"Dig a Little Deeper"

Don't matter what you look like
Don't matter what you wear
How many rings you got on your finger
We don't care
(No we don't care)
Don't matter where you come from
Don't even matter what you are
A dog, a pig, a cow, a goat
Had 'em all in here
(We had 'em all in here)
And they all knew what they wanted
What they wanted me to do
I told 'em what they needed
Just like I be telling you
You got to dig a little deeper
Find out who you are
You got to dig a little deeper
It really ain't that far
When you find out who you are
You'll find out what you need

Blue skies and sunshine guaranteed
You got to dig (dig)
You got to dig (dig)
Prince Froggy is a rich little boy
You wanna be rich again
That ain't gonna make you happy now
Did it make you happy then? No!
Money ain't got no soul
Money ain't got no heart
All you need is some self-control
Make yourself a brand new start
You got to dig a little deeper
Don't have far to go
You got to dig a little deeper
Tell the people Mama told you so
Can't tell you what you'll find
Maybe love will grant you peace of mind

Dig a little deeper and you'll know
Miss Froggy, might I have a word?
You's a hard one, that's what I heard
Your daddy was a loving man
Family through and through
You your daddy's daughter
What he had in him you got in you
You got to dig a little deeper
For you it's gonna be tough
You got to dig a little deeper
You ain't dug near far enough
Dig down deep inside yourself
You'll find out what you need
Blue skies and sunshine guaranteed
Open up the windows
Let in the light children
(Blue skies and sunshine)
(Blue skies and sunshine)
Blue skies and sunshine
Guaranteed

"Almost There"

Mama! I don't have time for dancing!
That's just gonna have to wait a while
Ain't got time for messing around
And it's not my style
This old town can slow you down
People taking the easy way
But I know exactly where I'm going
I'm getting closer and closer every day
And I'm almost there
I'm almost there
People down here think I'm crazy
But I don't care
Trials and tribulations
I've had my share
There ain't nothing gonna stop me now
'Cause I'm almost there

I remember Daddy told me
"Fairytale can come true
You gotta make 'em happen
It all depends on you"
So I work real hard each and every day
Now things for sure are going my way
Just doing what I do
Look out boys, I'm coming through
And I'm almost there
I'm almost there
People gonna come here from everywhere
And I'm almost there
I'm almost there
There's been trials and tribulations
You know I've had my share
But I've climbed the mountain
I've crossed the river
And I'm almost there
I'm almost there
I'm almost there!

"Go the Distance"

**I have often dreamed of a far off place
Where a hero's welcome would be waiting for me
Where the crowds would cheer, when they see my face
And a voice keeps saying this is where I'm meant to be
I'll be there someday, I can go the distance
I will find my way if I can be strong
I know every mile would be worth my while
When I go the distance, I'll be right where I belong
Down an unknown road to embrace my fate
Though that road may wander, it will lead me to you
And a thousand years would be worth the wait**

**It might take a lifetime but somehow I'll see it through
And I won't look back, I can go the distance
And I'll stay on track, no I won't accept defeat
It's an uphill slope
But I won't lose hope, 'till I go the distance
And my journey is complete, oh yeah
But to look beyond the glory is the hardest part
For a hero's strength is measured by his heart, oh
Like a shooting star, I will go the distance
I will search the world, I will face its harms
I don't care how far, I can go the distance
'Till I find my hero's welcome waiting in your arms
I will search the world, I will face its harms
'Till I find my hero's welcome waiting in your arms**

"A Dream is a Wish Your Heart Makes"

A dream is a wish your heart makes

When you're fast asleep

**In dreams you will lose your
heartaches**

Whatever you wish for, you keep

**Have faith in your dreams and
someday**

**Your rainbow will come smiling
through**

**No matter how your heart is
grieving**

If you keep on believing

**The dream that you wish will come
true**

A dream is a wish your heart makes

When you're feeling small

Alone in the night you whisper

Thinking no one can hear you at all

You wake with the morning sunlight

To find fortune that is smiling on you

Don't let your heart be filled with sorrow

For all you know, tomorrow

The dream that you wish will come true

A dream is a wish your heart makes

When you're fast asleep

In dreams you will lose your heartaches

Whatever you wish for, you keep

You wake with the morning sunlight

To find fortune that is smiling on you

Don't let your heart be filled with sorrow

For all you know, tomorrow

The dream that you wish will come true

No matter how your heart is grieving

If you keep on believing

The dream that you wish will come true

Come true
